READ THIS BEFORE ORDERING.

In this list will be found the latest music published by the leading publishers of America. No old music is included.

We have decided to offer this music to our customers at a greatly reduced price, providing that in each order, WHICH MAY BE FOR ONE OR MORE PIECES, you will mention the names of one or more extra pieces to be sent in case any you order are temporarily out of stock. Thus, if you want four pieces and name six, we can find four out of the six in our stock and fill order at once. Otherwise we might have to make you wait until we could order and get the missing pieces from some publisher perhaps hundreds of miles away.

The price named in the FIRST column is that at which the piece is published and the price in the SECOND column that at which we furnish the piece to you, all postage paid by us. This offer refers only to Sheet Music published in the United States.

Bear in mind that this is not five or ten-cent music, but is the original high-cost publications which we offer to our customers at a greatly reduced price. Any piece of Sheet Music published in the United States not found in this list, be it new or old, will be furnished on the same terms.
